

# PSHE Learning Journey

## Autumn 1

### Being Me in My World

In this unit, the children discuss their year ahead, they learnt to set goals and discuss their fears and worries about the future. The children learn about the United Nations Convention on the Rights of the Child and that these are not met for all children worldwide. They discuss their choices and actions and how these can have far-reaching effects, locally and globally. The children learn about their own behaviour and how their choices can result in rewards and consequences and how they feel about this. They explore an individual's behaviour and the impact it can have on a group. They learn talk about democracy, how it benefits the school and how they can contribute towards it. They establish the Jigsaw Charter and set up their Jigsaw Journals.

## Spring 1

### Dreams and Goals

In this unit, the children share their own strengths and further stretching themselves by setting challenging and realistic goals. They discuss the learning steps they will need to take as well as talking about how to stay motivated. The children reflect on various global issues and explore places where people may be suffering or living in difficult situations; whilst doing this, they reflect on their own emotions linked to this learning. The children also discover what they think their classmates like and admire about them, as well as working on giving others praise and compliments.

## Summer 1

### Relationships

In this unit, the children learn more about mental health and how to take care of their own mental well-being. They explore the grief cycle and its various stages, and discuss the different causes of grief and loss. The children learn about people who can try to control them or have power over them. They investigate online safety, learning how to judge if something is safe and helpful, as well as talking about communicating with friends and family in a positive and safe way.

# Year 6

## Living in the Wider World

## Health and Wellbeing

## Relationships

## Autumn 2

### Celebrating Difference.

In this unit, the children discuss differences and similarities and that, for some people, being different is difficult. The children learn about bullying and how people can have power over others in a group. They discover strategies for dealing with this as well as wider bullying issues. The children learn about people with disabilities and look at specific examples of disabled people who have amazing lives and achievements.

## Spring 2

### Healthy Me

In this unit, the children discuss taking responsibility for their own physical and emotional health and the choices linked to this. They learn about different types of drugs and the effects these can have on people's bodies. The children learn about exploitation as well as gang culture and the associated risks therein. They also learn about mental health/illness and that people have different attitudes towards this. They learn to recognise the triggers for and feelings of being stressed and that there are strategies they can use when they are feeling stressed.

## Summer 2

### Changing Me

In this unit, the children learn about puberty in boys and girls and the changes that will happen; they reflect on how they feel about these changes. The children also learn about childbirth and the stages of development of a baby, starting at conception. They explore what it means to be being physically attracted to someone and the effect this can have upon the relationship. They learn about different relationships and the importance of mutual respect and not pressuring/being pressured into doing something that they don't want to. The children also learn about self-esteem, why it is important and ways to develop it. Finally, they look at the transition to secondary school (or next class) and what they are looking forward to/are worried about and how they can prepare themselves mentally
