Friday 27<sup>th</sup> November 2020

Dear Parents and Carers,

We wanted to keep you updated with the progress we have been making with providing a wrap-around childcare service for those children who attend William Cassidi. In light of the Covid restrictions I am sure you will appreciate this has not been an easy task.

In the last few months, we have submitted a number of bids for funding to run a wrap-around care service from Stillington Village Hall and we are extremely pleased to say we have been successful in our bid for funding from Banks Community Fund.

This is obviously fabulous news for us all as we know that the wrap-around service is greatly needed, however the funding will only help us with initial costs. With this in mind we need to have a very clear idea on the numbers of children who will access this provision each week before we can finalise an exact start date.

If you wish to use this service from January 2021, you **must** register your interest now. **Please can we ask you to clearly set out the following information and return to the above contact details by no later than Thursday 10<sup>th</sup> December:**

- Child Name(s)
- Year Group (s)
- Days of the week / dates which care is required including AM or PM or BOTH

With our new facility we have the potential to run holiday clubs. So, with this in mind could you also please indicate if this is something you would be interested in.

Once we have the numbers, we can then officially confirm a start date. We will of course be operating according to Covid-19 Government Guidelines, and children will remain separated into their class bubbles whilst in our care. Our Risk Assessments are available on request.

We envisage our hours of operation will be from **7.30am** in the morning and until **5.30pm** in the evening. Children will be dropped off at school in the morning at their set start times and collected from school in the afternoon. We will walk the short distance from the school to the Village Hall with at least two members of staff.

Our provisional pricing structure is set out below. We look forward to hearing from you and hopefully welcoming the children back in January 2021.

Kindest Regards

Stillington Out-of-School Management Committee
