Den building, fire pit and more. From Stillington Forest Park in the morning, to the Village Orchard in the afternoon.

*****Limited Places Left*****

Tuesday 22nd February

Art & Wildlife

We have the pleasure of welcoming Judith, who leads the local art group, to our club to do a morning art session with the children, using foam board.

In the afternoon we will have the pleasure of welcoming a local wildlife rescue charity, to talk about their important work, and what we can do to protect our local creatures.

Wednesday 23rd February

Bake & Play

During the morning session the children will be following a recipe to bake and ice a cake.

For the afternoon session we will take a village walk to include the local play park, followed by games of the children's choice, board games, outdoor games and sports.
